Each such witness list shall contain a narrative summary of the testimony to be elicited from each witness, shall state whether the witness has been deposed, and whether the witness' testimony at trial is "probable," "possible," "expert," or "record custodian." A copy of this list must be furnished to the court reporter prior to trial.

- 12) The actions required by Local Rule 26.2 shall be accomplished by **February 22, 2012**. (NOTE: This does include furnishing copies of marked exhibits to the Court). **PLEASE NOTE:** All exhibits are to be placed in a three-ring binder(s). Label the notebook(s) with the proper case style; case number; and whether exhibits are plaintiff(s) or defendant(s). The first page of the notebook(s) should have the case style; case number; and "Plaintiff(s)/Defendant(s) Exhibit Notebook." The next page should be the Exhibit(s) Index. Each exhibit should be tabbed for ease of locating the exhibit. Special exhibit labels are not necessary. You may use the standard plaintiff and defendant labels. In a jury trial, provide one set of exhibits for the judge. In a bench trial, provide one set of exhibits for the judge and one set of exhibits for the law clerk. Have exhibits delivered to chambers. The Court does not accept the original exhibits prior to trial. The original exhibits are retained by counsel and shall be admitted into the official record throughout the trial. It is the duty of counsel to care for the original exhibits before and after trial. A receipt for exhibit form will be given to counsel after the trial, indicating that the original exhibits have been taken back into the custody of each counsel. Said receipt for exhibit form will be filed with the District Clerk and will become part of the official record in the case. It will be the responsibility of each counsel to forward to the Court of Appeals any exhibits deemed necessary for appeal. **All questions regarding exhibits should be directed to the Court Reporter at 214/753-2349.**
- 13) Objections to witnesses (except expert witnesses), exhibits, and deposition designations, and motions in limine shall be filed by **February 27, 2012**.

Counsel must confer about exhibits and make reasonable efforts to agree upon admissibility.

The courtroom is now equipped with computer monitors at the bench, counsel table, the jury box, and the witness chair. These monitors permit the display of an exhibit at all of those locations simultaneously, together with the possibility of highlighting portions of the exhibit. Counsel contemplating the use of such equipment at trial should schedule training prior to the trial setting on the use of such equipment for themselves and/or their assistants who will be operating it. Training is available upon request from the Court Reporter, Shawn McRoberts, at 214/753-2349. Each training session will last between thirty minutes and one hour.

**Any requests for extensions of these deadlines will be viewed with disfavor and will be denied, absent a showing of good cause.**

The Court will determine the order in which the cases will be tried on this two-week docket at the pretrial conference. Counsel and the parties shall be ready for trial on 48 hours notice at any time during this two-week period.

**IT IS SO ORDERED.**

Signed July 19, 2010.
